The World's Leading Collection of Images

Corbis offers the world's broadest and deepest collection of rights managed (RM) and royalty-free (RF) photography, art and illustration on the globe. The collection includes more than 100 million contemporary and editorial images, including many of the most iconic and important photos of the past century. More than five million images, including nearly one million RF images, are available directly through its web site. With insight from the company's trend-spotting global Creative Intelligence group, Corbis adds hundreds of thousands of fresh images every year based on the latest cultural and visual trends emerging around the world. Corbis' collections include:

Creative imagery: Carefully edited collections with clearly defined aesthetics and subject matter have been created to help clients find the photography they need for a wide range of projects. Collections include Crush, Ivy, zefa, etsa, Thunderdog Collective and dozens of acclaimed partner collections such as Fancy, Image Source, Moodboard, Photo Alto, cultura, Juice, Radius and ZenShui.

Editorial imagery: Categorized by documentary, fine art, archival, current events, and entertainment, Corbis' editorial collection is virtually the world's photo album. Collections include:

- Terra - a high-quality collection created for editorial customers with relevant imagery of our world.
- Encyclopedia - a comprehensive collection geared for editorial customers dedicated to simple, well-crafted depictions of a wide range of subjects.
- Outline - one of the world's premier collections of celebrity portraiture.
- Condé Nast and Retna - the latest celebrity red-carpet and fashion photos.
- Bettmann, Sygma and Hulton-Deutsch - the most important photojournalism of the past century.
- Reuters and EPA - the latest current events news imagery.
- Other premier collections include the Andy Warhol Foundation, Ansel Adams, Douglas Kirkland, James White, The Smithsonian Institution, The State Hermitage Museum, Christie's Images and Playboy.

Customer Service, Image Search and Rights Clearance

Corbis offers renowned customer service, including subject matter and conceptual image search, to help clients quickly and easily find and license images. GreenLight, a Corbis brand, helps clients handle complex rights clearances for iconic images. Thousands of customers from leading print, interactive and broadcast advertising agencies, direct marketing agencies, corporations, small and medium sized businesses, publishers and media companies turn to Corbis each year to help bring creative ideas to life.
